

MMM 🎵🎵🎵

Monday Music Memo 4: 17 April 2023

Today you will experience some not so serious music at our morning show at FGV. Search for Grupa Mocarta on YouTube. There are many more short pieces available on their performances.

There is instrumental music, orchestra music, and there are singers and dancers.

Dance can be many things - slow, energetic, elegant or spirited.

Here is some spirit for you: Zorba the Greek.
