Monday Music Memo 25 – 11 September 2023

The LEARNING part is lagging behind the Living and Laughing. So here is another puzzle.

Remember when I presented composers and their pets? Well, this is easier. The first and last names of composers are listed alphabetically. But they don't belong together as they are shown.

Just match the first and last names. If you need help ask the u3a Italian speakers, they will sort it out for you.

Happy learning,
Pete

First	Last
Alessandro	Cavalli
Antonio	Donizetti
Claudio	Leoncavallo
Francesco	Mascagni
Gaetano	Monteverdi
Giacomo	Puccini
Giaochino	Rossini
Giuseppi	Salieri
Pietro	Scarlatti
Ruggiero	Verdi

PS

I refrained from doing this with Russian composers. I want to keep my audience.
