Monday Music Memo 32 – 30 October 2023

Music of the world would not be complete without the Beatles!

I compiled this before I knew about the November 2 special event.

(Come together for the last Beatles song, 2nd November 2023:

I remember our music teacher who would write the score on a blackboard as fast as it was played. When the Beatles took the music world by storm he explained to us why their music was so great.

Anyway, that was yesteryear.

"Yesterday"

Yesterday all my troubles seemed so far away.
Now it looks as though they're here to stay.
Oh, I believe in yesterday.

Suddenly, I'm not half the man I used to be.
There's a shadow hanging over me.
Oh, yesterday came suddenly.

Why she had to go?
I don't know, she wouldn't say.
I said something wrong.
Now I long for yesterday.

Yesterday love was such an easy game to play.
Now I need a place to hide away.
Oh, I believe in yesterday.

Mm mm mm mm mm mm mm.
