Monday Music Memo 1: 28 March 2023

Hi all

After this morning's screening of the Marias Callas film I thought it fitting to send you a weekly alert about something worthwhile in the music world.

So, with a bit of luck you will receive about 50 Monday Music Memos (MMMs) from me during the year.

They will be items that I have come across on the web or items out of my own library.

The idea is to share them with you all, but you can simply ignore or delete the MMM email from me.

You can also reply to me directly and tell me whether you liked the item and wish to receive more like it.

There ought to be more music in our lives!!
